14:30 - 15:30	Relay Reader Workshop (For Secondary School Teachers)	Relay Reader: practice listening, reading, and oral performance with a good story This session will center on Relay Reader (relayreader.org), a freely available tool that helps people develop their reading and listening skills in English while enjoying a wholesome literary experience. We will discuss the concept of oral reading fluency that is one of the foundational skills practiced through Relay Reader, and review ways in which reading with the app can be implemented with students and enriched through additional activities. Trainer: Beata Beigman Klebanov, PhD Beata is a Senior Research Scientist at ETS R&D working on technology to support developing readers and writers. Relay Reader is inspired by great take-turns-to-read-aloud experiences she has had with her children and she is eager to share the joy to many young and old readers!
